CVM University

The Charutar Vidya Mandal University has been established as Private University by the Government of Gujarat under Gujarat Private Universities (Second Amendment) Act, 2019 (Gujarat Act No. 20 of 2019) through the Gujarat Government Gazette Volume LX, published on 20th August, 2019. The said Act came into force on 25/09/2019 through the Notification No.GH/SH/82/EPU/2019/1025/KH-1 of 20/09/2019 by the Department of Education, Government of Gujarat.

Vision

We aspire to be a melting pot for educational excellence, fostering creativity, innovation and leadership.

Mission

CVM University, an equal opportunity institution, pursues excellence in Education and Research in a conducive environment which is culturally rich with a legacy of eminence in building character and strength of mind while standing for sustainability.

President's Message

*"The purpose of education is to make good human beings with skill and expertise...
Enlightened human beings can be created by teachers."*

- APJ Abdul Kalam

Charutar Vidya Mandal drew up a plan to build an educational township - a Vidyanagar, in the year 1945, with the sole purpose of bringing education to the doorstep of all living in the land of Sardar Vallabhbhai Patel. Over the years, CVM has compounded in strength and consolidated itself to take on challenges of the emerging future. When CVM was celebrating its Diamond Jubilee, the idea of embarking upon the establishment of a new university emerged in the minds of the stakeholders of Charutar Vidya Mandal. With the blink of an eye, ground works were planned and executed and in a short span of one year, The Charutar Vidya Mandal University was granted the status of a private university by the Gujarat State Legislative Assembly. The importance of higher education in a developing country like ours, is correlated with higher level of civic participation, voting, poverty reduction, promoting good citizenship and nation building. CVMU aims to contribute substantially in the social and intellectual growth of the students. The top priority of CVMU is to guarantee high quality of education.

Like any good educational hub, CVMU takes great pride in shaping the future of the nation and society by developing good human resources by emphasizing on graduation, post-graduation and doctoral studies which will help the students to pitch for skilled jobs and greater exposure. This is reflected in the motto of the University "ज्ञान-विज्ञान-प्रज्ञान" which means knowledge, science and wisdom. In its initial year, CVMU has incorporated Nineteen self-financed colleges spread across Vallabh Vidyanagar and New Vallabh Vidyanagar, under eight different faculties. The University could attract 3200 students at the commencement of the new academic year 2020- 2021. Moreover, in the history of evolution of private universities, CVMU can claim a rare distinction of having more than 450 faculty members and 500 non-teaching staff. The Charutar Vidya Mandal University is blessed with a highly qualified, experienced and dedicated faculty team. We also have world class infrastructure, commensurate with rapidly growing student strength. The University has in its command a number of state of the art, computer laboratories, studios, libraries, human resource development centres, auditoriums and smart classrooms. The University is continuously making capacity additions in hostel facilities for both girls and boys to make their stay at Vallabh Vidyanagar cosy and comfortable. The University has full-fledged cricket grounds, basketball courts, indoor badminton courts and football academy. Therefore, we at CVMU cater to academic as well as co-curricular activities.

- Bhikhubhai Patel
Hon'ble President, CVM University

Director General's Message

“Arise, awake and stop not till the goal is reached.”

- Swami Vivekananda

Greetings from the Director General's Desk!!

At the outset, on behalf of university leadership, committed faculty team and staff, I am pleased and delighted to welcome you all as members of the extended family of the CVM University.

The CVM University, established in 2019 has been promoted by the most reputed public trust- Charutar Vidya Mandal, providing quality education since 1945 and begetting faith and belief in more than one million alumni. The CVM University is a multi-faculty university and the current academic year 2020-21 batch students admitted are from diverse backgrounds, geographical areas and academic interests who are successfully pursuing their study in the domains of Engineering and Technology, Science, Commerce, Management, Law, Education, Architecture and Planning, Arts, Pharmaceutical Science and Ayurvedic Medicine. Most of the nineteen constituent colleges of CVMU are NAAC and NBA accredited. Academic practices at CVMU are fine-tuned, emphasizing on NEP2020 and the 5Cs - Critical Thinking, Creativity, Curiosity, Collaboration and Communication. A sound integration of curriculum, pedagogy and assessment results in imparting the required knowledge, skills, attitude and values to equip learners to solve problems of tomorrow. Thus, focus at CVMU is shifted from Teaching to Learning, Information to Formation, Listening to Reflection, Memorizing to Understanding, World Exploration to Self-Exploration and Output to Outcomes and Impacts. Accreditation and assessment agencies are advocating to incline best practices to Start-ups, Innovation and Entrepreneurship and in response to this call, The CVM University Innovation and Start-up Centre has been established with support of Government of Gujarat under SSIP Scheme and CVMUISC. They are providing the required funding and mentoring for nurturing Innovation and Start-up culture which aims to be one of the best practices.

All of us are aware that COVID-19 Pandemic forced students and educators to toggle between online and offline mode of education. With the unconditional support and efforts of the faculty team, management and students, most academic activities have been completed on time. It gave us a taste of the flavours of blended and collaborative process of teaching and learning. Difficulties are now over ensuring an academic progression, character building, campus experience and cherished attainments. The CVM University is located in the lush green serene environment of Vallabh Vidyanagar and as per preaching and practices of Swami Vivekananda, would be an enabler for the physical, mental and spiritual growth of learners.

“Dream More, Do More, Learn More and Become More”

Prof (Dr) P M Udani
Director General, CVM University

Preface

“The highest education is that which does not merely give us information, but makes our life in harmony with all existence.”

-Rabindranath Tagore

It is known that the journey of a thousand miles begins with a single step. The Charutar Vidya Mandal University began its odyssey on the path of colossal wisdom laid by Charutar Vidya Mandal (CVM), one of the oldest and most influential educational trusts of Gujarat. CVM has always been a pillar of strength for many aspirers who wanted to build their intellectual wealth in various fields. Many have chiselled their skills and competencies, leaped high to taste success in careers and excelled in their life. CVM has generated and continues to generate leaders and role models. With a legacy of more than 75 years, Charutar Vidya Mandal (CVM) has rejuvenated its existence as The Charutar Vidya Mandal University in the year 2019.

The purpose of establishing a University is to provide exceptional academic flexibility, innovative curriculum and creative pedagogy. The University established eight faculties by amalgamating nineteen colleges. With this coalition, the University is more determined to embrace excellence in the lives of thousands of students with proficient academic integration and unification with international standards and social inclusiveness. The CVMU is exhilarated to share with you the fact that in the very first year of its inception, the University could enrol more than 3200 students. It is worth mentioning that CVMU has established a quality interface for multi-dimensional learning and outcomes that reinforces their global competence. With the focus on career development, training, placements and employability, the University tries to enhance entrepreneurship, innovations and inventions. CVM Alumni network is more than one million and has groomed many leaders and role models and is committed to carry on.

With state of art infrastructure and capacious campuses spanning over Vallabh Vidyanagar and New Vallabh Vidyanagar, the University is a beehive of activities. CVMU is also blessed with a highly qualified and experienced team of faculty members and well equipped laboratories, computer labs, incubation centres, workshops and herbal gardens.

The Annual Report of the Charutar Vidya Mandal University for the academic year 2020-2021 narrates the kaleidoscope of activities and important relevant facts about the University to the esteemed reader. In a span of one year, CVMU has drawn from its' lineage of 76 years and forayed into multiple domains with a vision to strive for excellence.

“Literacy in itself is no education. Literacy is not the end of education or even the beginning.

By education I mean an all-round drawing out of the best in the child and man- body, mind and spirit.”

- Mahatma Gandhi

Vallabh Vidyanagar

CVM - CVMU at a Glance

Foundation of Vallabh Vidyanagar

The inception of Charutar Vidya Mandal (CVM) took place on the eve of Independence, when the illuminating vision of the great Sardar Patel was received with incredible enthusiasm by Shri Bhaikaka and Shri Bhikhabhai Saheb. They dedicated their lives to the cause of rural regeneration by establishing Gramodyog and by bringing higher education to the doorstep of village community.

On March 03, 1945, they sat down to draw up a plan of an educational township **VIDYANAGAR** and later christened as **VALLABH VIDYANAGAR** as a mark of tribute to the Great Son of the Soil, **Sardar Vallabhbhai Patel**. It was the first planned university township of independent India that provided a comprehensive hub of higher education opportunities with schools and colleges in all major academic disciplines, hostels, faculty quarters, play ground sand parks. It was a dream project implemented in the real sense of the term.

The town is the synthesis of varied cultures, which enables it to evolve and expand the quality life, as well as to foster the environment of creativity amongst the student citizens. Those who stay here always cherish the golden moments of campus life.

Glorious History of Charutar Vidya Mandal

One of the greatest sons of India Late Sardar Vallabhbhai Patel inspired Shri Bhaikaka and Shri Bhikabhai Saheb for rural resurgence of post-independent India through education, and Charutar Vidya Mandal was born. Charutar Vidya Mandal was established in the year 1945 as a charitable trust with a prime objective of rural development through education to bring about the social awakening, social upliftment and enrichment. The uniqueness of Charutar Vidya Mandal lies in its ability to use quality education as a powerful means of social transformation. It was a stupendous task for the founders to establish a visionary organization; but the large-heartedness and high sense of philanthropy of this region made this possible. Over the subsequent years, Late Dr. H M Patel consolidated the efforts put in by the founders. Later on, in the 1990s, when Late Dr. C L Patel took over the reigns of Charutar Vidya Mandal as the Chairman, the country was facing a major economic and ideological change paving the way for globalization and liberalization

This generated two major challenges before the sector of education - (a) Withdrawal of monetary support by the government to educational institutions, and (b) Need for new programs and courses to meet with the emerging demands arising out of a globalized and liberalized world in science and technology and in business.

The dynamic leadership, missionary zeal and visionary outlook of Late Dr. C L Patel successfully took up the challenges. Various self-financed educational institutions started being established in the areas of Technology, Science and Engineering, Commerce and Management, offering emerging and innovative courses and programs such as Mechatronics, Automobile Engineering, Bio-technology, Food Processing Technology, E-Commerce, Valuation, etc. Today the investment of Charutar Vidya Mandal stands at more than US\$ 30 million, and a new self-contained Satellite Township called New Vallabh Vidyanagar sprawled over 100 acres has already received an investment of around US\$ 20 million. Late Dr. C L Patel's unique leadership style attracts many philanthropists to contribute to the development of Charutar Vidya Mandal. Today Charutar Vidya Mandal is empowering budding graduates to live up to the ever-changing environment and equipping them to face the Third Millennium with confidence and competence. Building competitive advantages is the renewed focus of Charutar Vidya Mandal in the 21st century.

Glimpses of CVM

Maestro adoring the dais (Left to right). Shri Manish Patel (Hon. Vice President, Charutar Vidya Mandal), Shri A M Niak (The Group Chairman of Larsen and Toubro Limited and Member of Governing Body, CVMU), Shri Bhupendrasingh Chudasama (Former Minister of Education, Gujarat), Shri Vijay Rupani (The CM, Gujarat), Shri Muppavarapu Venkaiah Naidu (Vice President of India), Shri Prayasvinbhai Patel (Member of Governing Body, CVMU), ER. Bhikhubhai Patel (The Chairman, Charutar Vidyamandal and The President, CVM University) and Shri Mitesh Patel (Member of the Lok Sabha, from Anand, Gujarat)

CVM Diamond Jubilee Celebration (75 years) and Formal Declaration of the Establishment of the CVM University (2019)

The Padma Bhushan, A. M. Naik (The Group Chairman of Larsen and Toubro Limited and Member of Governing Body, CVMU) offering the Scroll of Honour to Shri. Muppavarapu Venkaiah Naidu.

ER. Bhikhubhai Patel (The Chairman, Charutar Vidya Mandal and The President, CVM University) offering memento to then Chief Minister, Gujarat Shri Vijaybhai Rupani.

The CVM University has two vibrant campuses fully equipped with state of the art Infrastructure facilities. Charutar Vidya Mandal has a total of 49 institutions in the campus wherein 19 institutions are constituent colleges of The CVM University and the rest are Grant-In-Aid institutions. All the colleges functioning under the umbrella of The CVM University have all the necessary infrastructure supporting Educational and Co-curricular activities. The University has also health facilities viz. Clinics and first aid rooms. Comprehensive data of the infrastructures of all the constituent colleges are presented in tabular format given below.

Salient Features of the CVM University

- Eight faculties offering adequate academic flexibility
- Focus on Holistic Development of Students
- Emphasis on Employability and Entrepreneurship
- Large Alumni Base
- Inculcating Research Skills and Life Skills
- Interactive Learning
- Diverse and Impressive Profile of Teaching Faculty
- Career Counselling by Guest Speakers, Senior Corporate Personnel
- Tie-up with Industries, Corporates and Reputed Organizations
- Technology Enabled Campus
- Learner Centric and Outcome Based Education

Board of Management

The Board of Management is Statutory Body of the University and providing guidance and support for continuous improvements in Academic and Administrative functioning of the university and constituent colleges.

Members Board of Management:

Sr No	Name	Designation
1	Er Shri Bhikhubhai B Patel	President, CVMU
2	Shri Manishbhai S Patel	Vice President, CVMU
3	Shri Mehul D Patel	Jt Secretary, CVM
4	Shri Ramesh C Talati	Jt Secretary, CVM
5	Shri Dinesh C Patel	Member
6	Prof (Dr) Govind B Dave	Director, Commerce, Management and Humanities (CMH) and Dean, Commerce, Management and Law (FCML)
7	Prof (Dr) Himanshu Soni	Principal, GCET
8	Prof (Dr) Basudeb Bakshi	Principal, NVPAS
9	Prof (Dr) Vishal Singh	Principal, ADIT
10	Ms Agneshwari Adhiya	Registrar (I/C), CVMU

Finance Committee

The role of the finance committee is primarily to ensure financial sustainability for the organization. Typical task areas include budgeting and financial planning, financial reporting, and the creation and monitoring of internal controls and accountability policies.

Members of Finance Committee:

Sr No	Name	Designation
1	Er Bhikhubhai Patel	President, CVMU
2	Shri Manishbhai S Patel	Vice President, CVMU
3	Shri Mehul D Patel	Jt Secretary, CVM
4	Shri Dinesh C Patel	Member
5	Ms Agneshwari Adhiya	Registrar (I/C), CVMU
6	Shri Vimal Oza	Member Secretary

Academic Council

The University is committed to academic governance that incorporates formal and structured input from faculty, staff, and students related to program and institute-wide academic decisions. Academic Council's primary focus is to ensure the academic standards of all new and existing programs and provide inputs regarding academic policies and review of programmes.

Members of Academic Council

Sr No	Name	Designation
1	Prof (Dr) P M Udani	Director General, CVMU
2	Prof (Dr) Govind B Dave	Director - CMH and Dean - FCML
3	Dr C H Babaria	Director, GJPIASR
4	Dr R H Parikh	Director, IICP
5	Dr Himanshu Soni	Principal, GCET
6	Dr Vishal Singh	Principal, ADIT
7	Dr Archana Nanoty	Principal, MBIT
8	Dr Harshaben Patel	Principal, IICP
9	Prof Jyoti Gill	Principal, SMAID
10	Dr Basudeb Bakshi	Principal, NVPAS
11	Dr Nirmal Kumar	Principal, ISTAR
12	Dr Bhakti Bajpai	Principal (I/C), ARIBAS
13	Dr Waheeda Thomas	Principal, SEMCOM
14	Dr Swati Parab	Principal (I/C), CZPCBM
15	Mr Prakash George	Principal (I/C), RNPISLJ
16	Dr Sunny Thomas	Principal, ILSASS
17	Dr Mitul Trivedi	Principal (I/C), ESCEN
18	Dr Archana Bansod	Principal (I/C), CERLIP
19	Dr Avdhesh Jha	Principal, WAYMADE
20	Dr B L Nagar	Principal, SSP
21	Mr Kanu Patel	Hon Director, CVMFA
22	Dr Indrajeet Patel	Principal, BVM
23	Dr Ketaki Sheth	Principal, BJVM
24	Mr Piyush Lashkari	Asso Professor, V P Science College
25	Dr Jigar Patel	Asso Professor, ISTAR
26	Dr Falguni Bharteeya	Asso Professor, Nalini-Arts College
27	Ms Agneshwari Adhiya	Registrar (I/C), CVMU

Board of Studies

The Board of Studies is a statutory body and reports to the Academic Council through the Dean of the concerned department. Board of Study is constituted for each Academic Department to design and review of academic programs.

Faculty Wise Boards of Studies:

Sr No	Name of Faculty	Board of Studies
1	Faculty of Ayurvedic Medicine	Ayurvedic Medicine
2	Faculty of Architecture and Planning	Architecture, Interior Design and Planning

FACULTY INFORMATION

FACULTY OF ENGINEERING AND TECHNOLOGY

1. G H Patel College of Engineering and Technology (GCET)

Establishment: G H Patel College of Engineering and Technology was established in the year 1996 with the donation by Shri Gordhanbhai Hathibhai Patel, an eminent philanthropist of Gujarat, and was inaugurated by Dr C L Patel on 25/11/1996.

Accreditation Details: B E Electronics and Communication Engineering program is accredited by National Board of Accreditation from 01/07/2015 to 30/06/2022.

B E Mechatronics program is accredited by National Board of Accreditation from 01/07/2015 to 30/06/2022.

VISION

To produce engineering graduates who are globally competitive, live by set of core values, are able to accept any professional challenge thrown at them, and remain responsive to the needs of India and the humanity.

MISSION

To foster a stimulating learning environment, develop excellence amongst students, faculty and staff in every activity GCET carries out and thereby aim to become one of the best premier technical institutes of the country.

Best Practices:

- **Research and Development at GCET:** Research is an integral part of progress. The present world stands testimony to this statement. Academic research is an essential dimension of exploring new paradigms in development. It is a necessary ingredient of most programs of study. GCET emphasizes innovation and technological development through its initiative in RandD activities. The institute undertakes and supports scholarly and academic research in diverse areas of science and technology. It has a broad and varied portfolio of research interests and conducts researches within its academic programs under all the departments.
- **Training and Placement Cell:** Each and Every year Training and Placement Cell upholds the best accomplishment with the various Organizations including the start-ups, Multinational Companies etc. which in turn help the Graduates to discover and grab the various opportunities to be a part of the Industrial World. GCET Training and Placement Cell facilitates the Companies with the professional environment for conducting the Campus Drives such as two fully Equipped Space Conference Halls, Seminar Hall with the capacity of 120 students Auditorium with the capacity of 450 students, Laboratories and necessary Classrooms with high speed internet in the vicinity of GCET Campus.

2. A D Patel Institute of Technology (ADIT)

Establishment: A D Patel Institute of Technology was established in the year 2000 with the donation by Shri Mukeshbhai Arvindbhai Patel and was inaugurated by Param Pujya Pragat Brahm Swarup Pramukh Swami Maharaj on 25th November 2000.

VISION

To add significantly to our enduring civilization tradition of pioneering excellence in learning, knowledge, enlightenment and self-realization, in a universally relevant context

MISSION

We dedicate to the perpetuation of our founders vision of providing the infrastructure, facilities, operating conditions and overall environments conducive to education of young scholars, along with the desired physical, mental and character building inputs; we firmly renew our commitment to provide value added, globally relevant education with an emphasis on the techno-management domain, to ensure that our scholars fruitfully exercise their knowledge, skills and values in the global economy.

Best Practices:

- **Experiential Learning and Role Reversal:** The focal objective of the institute is to transform the students into productive citizens through interactive and experiential learning process. Keeping in mind the potential impact of the future Professionals on socio-economic growth through creation of employments, the institute chalked out an innovative practice to expose the students to the real environment of enterprise.
- **Innovation, Incubation and Entrepreneurship:** By establishing the SSIP, IIC and Entrepreneurship Cell Institute makes special efforts to get the students mentored for innovation and entrepreneurship. Establishes IDEA Lab to develop the ecosystem of individuals who exchange knowledge, ideas, and technology to empower people of all ages and to support the learning process based on the latest trends required by the industry and the market. Started incubation activities where the students are provided space as needed and encouraged to utilize all the facilities, equipment and software of the Institute to develop the idea into a product/service.

3. Madhuben and Bhanubhai Patel Institute of Technology (MBIT)

Establishment: Madhuben and Bhanubhai Patel Institute of Technology was established in the year 2009 with the donation given by Shri Prayasvinbhai B Patel on 18th July, 2009.

VISION

To become a benchmark technical institution where learning is a joy, education is for tomorrow, research and development is pace setting and everyone is committed to deliver competent human resources for prosperity and well-being of industry, profession and society.

MISSION

To prepare a competent need-based human-resource and responsible citizens for the engineering profession through dissemination of knowledge and development of technical skills and create an environment that fosters the involvement for continuous improvement in performance and quality.

Best Practices:

Our goal is to prepare our youth and develop our nation by providing competent and responsible engineers to the society through holistic value-based education which includes professional development as well as life learning lessons. Believing in the overall development of the students, we support co-curricular as well extracurricular activities while considering teaching learning as our main responsibility. Our other best practices are personalized Mentoring through regular and dedicated counselling, Language Improvement Programs, outcome-based education through innovative Teaching – Learning Processes, employability bridge programs, imparting moral and social values, conducting regular meetings with the stakeholders, continuous and rigorous evaluation of the students, NPTA policy, remedial and makeup classes. We try to give our best in various initiatives like clean and green campus initiative, social responsibility initiatives, Internal Quality Assurance. Various concerns are about students' reactions to a new teaching method, Time involved in learning about new strategies and redesigning courses, to keep the students in pace with current technologies. Dynamic faculties, well equipped laboratories and well-furnished class rooms, competitive environments, continuous guidance to the students through faculties are required to maintain the position in such a competitive environment

FACULTY OF PHARMACEUTICAL SCIENCES

4. Indukaka Ipcowala College of Pharmacy (IICP)

Establishment: Indukaka Ipcowala College of Pharmacy was established in the year 2004 with the donation by Shri Indubhai M Patel (Ipcowala) and was inaugurated by Shri Indubhai M Patel (Ipcowala) and Dr C L Patel, Chairman, CVM.

VISION

To become a Centre of Excellence for learning and research and thereby bridge the academia and industry, by harnessing the creative and innovative capabilities of young minds, thus inculcating the sense of community for upliftment and welfare of the society.

MISSION

- » To produce competent pharmacists
- » To promote and encourage industry oriented research at post graduate level and above
- » To create awareness about Pharmaceutical care in the community
- » To enhance dynamic leadership skills rooted in Indian ethos
- » To contribute at global level by creating a synergy between the academia and community through significant research

FACULTY OF AYURVEDIC MEDICINE

5. Govindbhai Jorabhai Patel Institute of Ayurvedic Studies and Research & Surajben Govindbhai Patel Ayurveda Hospital and Maternity Home (GJPIASR and SGAHMH)

Establishment: Govindbhai Jorabhai Patel Institute of Ayurvedic Studies and Research was established with the donation by Shree Govindbhai Jorabhai Patel and was inaugurated by Dr C L Patel on 25 January 2005

Surajben Govindbhai Patel Ayurveda Hospital and Maternity Home was established with the donation by Shree Govindbhai Jorabhai Patel and was inaugurated by Dr C L Patel on 25 January 2005.

Accreditation Details: Govindbhai Jorabhai Patel Institute of Ayurvedic Studies and Research is accredited by ISO: 9001-2008 in the year 2008.

VISION

- » To establish a quality Ayurveda Institute for providing value added and globally relevant education based on eternal human values.
- » To established a viable link between tradition, science and technology using ultramodern facilities state of art, equipment, sophisticated modern diagnostic aids and ancient traditional ideology.

MISSION

- » Resurrection and Revitalization of Ayurveda and enduring Indian tradition of pioneering excellence in learning in a universally relevant context.
- » To carryout meaningful research involving modern technology, ancient traditions and multi-disciplinary faculty to throw light on hidden treasures of Ayurveda

Best Practices:

1. Suvarnaprasan
2. Free Health checkup camps
3. Free Medication
4. Free Food for IPD Patients

FACULTY OF ARCHITECTURE AND PLANNING

6. Shantaben Manubhai Patel School of Studies and Research in Architecture and Interior Design (SMAID)

Establishment: Shantaben Manubhai Patel School of Studies and Research in Architecture and Interior Design (SMAID) was established in the year 2012 with the donation by Smt Shantaben and Shree Manubhai Patel and was inaugurated by Shri C L Patel on 1st June 2012.

VISION

We believe in relevant education as well as in meaningful learning whereby our students develop their potentialities and become globally competitive.

MISSION

Design is not just for a privileged few but for everyone, everywhere and the true value of design is in defining and improving the quality of life. We believe that our identity as an educational institution depends on our organizational culture, our philosophy; and the opportunities we can offer. We strongly believe that design is for masses and adds value to life.

Best Practices:

ONLINE TEACHING-LEARNING

Under the global circumstances of on-going pandemic, SMAID had no different situation. The teaching and engagement of students and staff members using online mode was among a major challenge. The SMAID evolved a system of conducting online teaching-learning process through Google platform and could successfully sustained the continuation of the education and its attainments in terms of qualitative aspects.

The records were created and uploaded for online scrutiny by the Council of Architecture that is an annual formal process. The set of course-work in presentation modes and

submissions received in stage-wise manner was organized on Google drive in course-work email ID created for the specific courses across all branches at SMAID.

FACULTY OF SCIENCE

7. N V Patel College of Pure and Applied Sciences (NVPAS)

Establishment: N V Patel Science College of Pure And Applied Sciences was established in the year 1996.

Accreditation Details: The institute is due for accreditation N V Patel Science College of Pure And Applied Sciences is accredited with “A” grade with 3.01 CGPA by NAAC in the year 2016.

VISION

We are determined to constantly strive towards excellence in science education and research by promoting academic freedom, experimentation with new paradigms and creativity in complete alignment with the principles of human well-being and social welfare.

MISSION

The college has an aim to impart quality education and cultivate a community of enlightened minds with insatiable thirst for knowledge who acquire and apply scientific knowledge within the compass of ethical, ecological and economic values for the sustained and inclusive growth of society and nation

Best Practices:

Entrance Exam Preparation Cell of NVPAS.

ENTRANCE EXAM PREPARATION CELL is an Initiative to make the students of NVPAS more competitive to clear entrance exams for the admission in various PG courses (eg M Sc Biotechnology, Microbiology, Biochemistry, Bioinformatics, etc) at few of the India’s most privileged and premier institutes like IIT, IISc Bangalore, TIFR, and some central Universities through CUCET or JNU Combined Entrance Examination for MSc Biotechnology/GAT-B.

Network of Biotechnology Capacity Building cell- (N-BT-CBC) of GSBTM-DST, Govt of Gujarat

Gujarat State Biotechnology Mission has recognized and granted NVPAS as Capacity Building cell for preparing students of Anand, VV Nagar, Kheda, Nadiad, Vadodara and Panchmahal region. Dr Amit Ballani from NVPAS is the Coordinator for this region

We have got financial permission and instructions from GSBTM for organizing an orientation session in all the science colleges of the central Gujarat region. We are also going to organize two crash workshop of six days duration in this academic session. First would be conducted in January and the second would be conducted in the month of April/May. Almost sixty would be selected and trained for the national level PG entrance examinations.

The entire programs and activities are supported and funded by GSBTM, DST (Govt of Gujarat). Till date NVPAS has organized 15 such crash workshops in which more than 800 students have been benefitted from this initiative so far.

8. Institute of Sciences and Technology for Advanced Studies and Research (ISTAR)

Establishment: Institute of Science and Technology for Advanced Studies and Research was established in the year June-1999 with the donation of Rs 10.00 Lakh by Shree Gordhanbhai Hathibhai Patel and Rs 45.00 Lakh Shree Ashokbhai Chunibhai Patel, and was inaugurated by Param Pujya Pramukh Swami Maharaj on 20.01.1999

Accreditation Details: Accredited with Grade 'A' with 3.10 CGPA by NAAC in the year 2014

1st Rank in College Category in GSIRF – 2021

Remote Learning Centre of IIRS (ISRO) for Outreach Programmes

VISION

To add significantly to our enduring civilizational tradition of pioneering excellence in learning, knowledge, enlightenment and self-realization, in a universally relevant context.

MISSION

We dedicate ourselves to the perpetuation of our Founders' Vision of providing the infrastructure, facilities, operating conditions and overall environment conducive to the Education of young scholars, along with the desired physical, mental and character building inputs; we firmly renew our commitment to providing value added, globally relevant Education with an emphasis on the Techno Management domain, to ensure that our scholars fruitfully exercise their knowledge, skills and values in the global economy.

Best Practices:

- Strong Industry connect for mutual benefits of students and Industries
- Research and Consultancy Works

9. Ashok and Rita Patel Institute of Integrated Study and Research in Biotechnology and Allied Sciences (ARIBAS)

Establishment: ARIBAS was established in the year 2005 with the donation by Mr Ashok Patel and Mrs Rita Patel (USA)

Accreditation Details: ARIBAS was accredited with A grade with 3.01 CGPA by NAAC in the year 2014.

VISION

ARIBAS aspires to be a global landmark of intellectual excellence. ARIBAS embodies the passion for research and quality education at undergraduate, post-graduate and doctorate level in the field of applied sciences. It adopts a comprehensive approach to create resourceful and conducive environment for students to acquire discerning skills pertinent for the pursuit of knowledge integrity and freedom.

MISSION

Established in 21st century, ARIBAS infuses the strengths of the experiential learning with research cantered spirit, its principle aim being to earn peer and public appreciation and fulfil the academic, economic and professional expectations of state, national and international communities.

- » To foster erudite minds and generate opportunities to flourish them
- » To be open to expression and exchange of ideas where new horizons of discoveries can be accomplished
- » To develop student's competency to think creatively, critically and objectively with core and inter-disciplinary excellence

Best Practices:

• E-Resources/Digital Library

The objectives of the practice are as follows:

1. To cope with the modern requirements of science communication technology.
2. To update the latest development and research in the field of science.
3. Extending the library facility beyond the bound books.
4. On-line library resources availability to the end users.

• Students Counselling

The objectives of the practice are:

1. To provide an opportunity to students to express their feelings, grievances, likes and dislikes, etc. and to suggest remedial measures.
2. To eliminates the weaknesses and reinforce the strengths.
3. To explore jointly the strengths and weaknesses of the overall functioning of the Institute in terms of students, infrastructure facilities, teaching and non-teaching staffs and management.
4. The responses of the students to the practice are really encouraging.

10. C L Patel Institute of Studies and Research in Renewable Energy (ISRRE)

Establishment: C L Patel Institute of Studies and Research in Renewable Energy was established in the year 2013 by Dr C L Patel.

VISION

To develop renewable energy solutions and nurture human resources for sustainability of energy.

MISSION

To promote use of renewable energy resources and sustainable technologies through education and technical assistance and to provide trained manpower in the field of renewable energy.

Best Practices:

Capacity building for a successful career in the rapidly growing renewable energy sector.

FACULTY OF COMMERCE, MANAGEMENT AND LAW

11. S G M E College of Commerce and Management (SEMCOM)

Establishment: Sardar Gunj Mercantile Cooperative Bank Ltd (Anand) English Medium College of Commerce and Management (SEMCOM) as established in the year 1997 with the donation from Sardar Gunj Mercantile Cooperative Bank Ltd. (Anand) and was inaugurated by Late Prof (Dr) R K Prabhakar, MBA Programme, GHIIBM, Sardar Patel University, Vallabh Vidyanagar on May 30, 1997.

Accreditation Details:

- Accredited with Grade 'A' with 3.18 CGPA by NAAC in the year 2009.
- Accredited with Grade 'A' with 3.01 CGPA by NAAC in the year 2015.
- Ranked with 4 Stars by Gujarat State Institutional Ranking Framework-2021 and was 1st Commerce and Management College in Top 11.

VISION

To contribute to the societal enrichment through quality education, innovation and value

MISSION

To build up a competitive edge amongst the students by fostering a stimulating learning environment.

Best Practices:

• **Publications @ SEMCOM**

The following sequence of processes is followed for publication of Journal / News Letter:

1. Call for Manuscripts / Papers
2. Collecting activity reports/ updates, photographs and articles on monthly basis.
3. Downloading manuscripts / Papers/Author's Info/ Declaration Forms etc.
4. Subject area wise segregating manuscripts/ papers
5. Review Process (Plagiarism Check/Screening) Software
6. Follow-up and Review Report Collection
7. Selection of Final Manuscripts / Papers and Sequencing for Design

Experiential Learning: The college plans out every year before the commencement of academic session, the format of various extra-curricular and Co-curricular activities, to be executed throughout the year, by taking into consideration the trends prevailing in professional, industrial and economical sector of the country. Best Business Idea Competition (BBIC), GreenBusiness and Technology Fair, Smart-eye photography contest, Ad-Making Show, Techno fest, Kites and Bites Festival, Cinecon (Film Making Contest) are some of the major events which were held by the institute with a purpose of providing experience-based learning to the students. By participating in these and likewise many other events and competitions held by the institute throughout the year, helps the students in enhancing their managerial, entrepreneurial, administrative, relationship building and operational abilities.

12. C Z Patel College of Business and Management (CZPCBM)

Establishment: C Z Patel College of Business and Management was established in the year 2003 with the donation by Smt. Chanchalben Zaverbhai Patel and was inaugurated by Dr C L Patel on 16th June, 2003.

VISION

To make young budding professionals globally competitive in the service sector

MISSION

To impart quality education, enabling the students to create and exploit rewarding career opportunities in the areas of Hospitality, Tourism and Travel, Corporate Banking and Insurance and International Accounting.

Best Practices:

Internship-based Curriculum

The Sixth and Final Semester of the students of BBA (Hospitality Management) and BBA (Tourism and Travel Management) is dedicated for Organization Internship / Industry Internship / Project. The students are supposed to undergo a Semester long 16 Weeks mandatory internship at reputed hospitality or travel organizations. The students of Hospitality Management serve as an 'Intern' at 4-5 Star Hotels as per College / Faculty / University guidelines (which includes students preferences too), after due Selection Processes, if any, conducted by the hotel. The students of Tourism and Travel Management intern with a reputed Tour Operator based on the same criteria as the Hospitality Management students. The students may or may not receive stipend or lodging facilities based on the policies of the Hotel or Tour Operator. At the end of the internship, after their Project Report Submission thorough evaluations / assessment of their learning / projects are undertaken.

Promoting International Internship through MOUs

CZPCBM has been making consistent efforts to build Industry tie-ups for the benefit of the students. The College has entered into MOUs with a reputed training institute which gives the students an opportunity to train with luxury hotels in Qatar. The MOU also increases job opportunities for the students in Qatar. Interested students are screened by the Training Institute, based on their hospitality and communication skills, after which selected students are sent for induction to make them ready to work in Qatar.

13. R N Patel Ipcowala School of Law and Justice (RNPSLJ)

Establishment: R N Patel Ipcowala School of Law and Justice (RNPSLJ) was established in the year 2012 with the donation by Shri Devangbhai Patel, Nadiad.

VISION

To enhance the value and growth of the society with producing the perfect law professionals.

MISSION

- » To providing the transformative law education experience.
- » To developing the vibrant and dynamic Law community.
- » To establish the repo between industry and academics.

Best Practices:

Experiential Learning:

Each Course is offered an element of exposure / session(s) through Moot Court / Mock Trial(s) on a weekly basis throughout the term(s) where students are expected to perform different roles and deal case(s) live on. The students learn through blended mode by using relevant e-resources' and are been sensitized by experts talks/ webinar/workshop in the field of law. Visit of various places for interactions with law authorities / departments are been conducted at District Court, Juvenile Justice, Jail Visit, Police Station, Vidhan Sabha, High Court, Consumer Court, Family Court, etc. Students learn to the art of Law profession through participation in activities like Client Counseling, Legal Draft(s), Debate, Youth Parliament, Group Discussions, etc.

FACULTY OF ARTS

14. Institute of Language Studies and Applied Social Sciences (ILSASS)

Establishment: Institute of Language Studies and Applied Social Sciences (ILSASS) was established in the year 2009 by Charutar Vidya Mandal, Vallabh Vidyanagar and was inaugurated by Dr C L Patel on June 2009.

Accreditation Details: Institute of Language Studies and Applied Social Sciences is a recognized collage under Section 2(F) and 12(B) UGC in the year 2015.

VISION

To make education the most powerful instrument of social, economic and cultural transformation and to augment the quality of human capital of the society.

MISSION

Empower the students with knowledge and wisdom and make them lifelong learners.

Best Practice:

Summer Internship:

The Students gets opportunity to learn through internships in each semester along with their regular contact session through the internship course(s). They are expected to work, prepare journal, discuss and present their learning's. It aims to bridge the gap between theory and practice, enable sharpen their professional skills and learn to contribute in the field.

15. Centre for Studies and Research on Life and Works of Sardar Vallabhbhai Patel (CERLIP)

Establishment: Centre for Studies and Research on Life and Works of Sardar Vallabhbhai Patel (CERLIP) was established in the year 2009 and was inaugurated by Dr C L Patel on 01-08-2008.

VISION

To create an enlightened awareness about the unexplored aspects of human search for freedom and social upliftment as evident in India's freedom struggle.

MISSION

- » To realise this vision by facilitating research on fundamental socio-political, historical and culture issues related with the Life and Works of the Sardar and other national heroes like Mahatma Gandhi, Pandit Jawaharlal Nehru etc.
- » To design and implement the academic programme leading to Ph.D. degree in various discipline (History, Political Science and Sociology).
- » To support and facilitate research projects undertaken by Research Fellows from India and Abroad.
- » To create a body of knowledge in the form of printed resources as well as audio-visual and digital resources.

16. CVM College of Fine Arts (CCFA)

Establishment: CVM College of Fine Arts was established in the year 2012 with the donation of CVM.

VISION

To contribute in the cultural advancement / development of the society through Visual Arts.

MISSION

To develop artistic potential with self-identity, Sublime Magnitude and profound knowledge of visual technology.

17. H M Patel English Studies Centre (ESCEN)

VISION

To add Significantly to our Civilizational Tradition of Excellence in Learning, to Attain Knowledge, Enlightenment and Self-Realization in Universally Relevant Context.

MISSION

To Provide Value Added, Globally Relevant Teacher Education With An Emphasis On The Techno-Management Domain, As We Endeavour To Enable Our Learners To Cope With New Challenges In The Global Context.

FACULTY OF EDUCATION

18. S S Patel College of Physical Education (SSP)

Establishment: S S Patel College of Physical Education was established in the year 2002 with the donation by Shantilal Sankarbhai Patel and was inaugurated by Chhotubhai Lallubhai Patel on September 2002.

VISION
To add significantly to our enduring civilizational tradition of pioneering excellence in learning, knowledge, enlightenment and self-realization, in a universally relevant context

MISSION
To add significantly to our enduring civilizational tradition of pioneering excellence in learning, knowledge, enlightenment and self-realization, in a universally relevant context.

19. Waymade College of Education (Waymade)

Establishment: Waymade College of Education was established in the year 2004 with the donation by Shri Vijaybhai Patel and Shri Bhikhabhai Patel Founder of Waymade Pharmaceutical at London and was inaugurated by Dr C L Patel on 2004 year.

Accreditation Details: Waymade College of Education is accredited with B++ grade with 2.59 CGPA by NAAC in the year 2017.

VISION

To Contribute towards Development of Knowledge Society

MISSION

To Contribute towards Societal Reconstruction through Quality Education.

Best Practices:

Career Guidance and Counseling Cell (CGCC)

In order to develop awareness and competencies for better career, the institute carries out various activities under career Guidance and Counselling Cell. The activities like Guest lectures, viewing and reviewing documentaries, Mock Interviews, Workshops on resume writing, interview techniques, SWOC Analysis, grooming, placement, group discussion, demonstration lesson etc. are being carried out. The pre service teachers are mostly not aware about the prevailing teaching learning, administration and school practices therefore, the institute frequently visit the schools and invite the school representatives for the workshops, symposium and many other events. This gives the realistic and ideal exposures to the pre service teachers to choose the career. Students are generally need guidance and counselling for the problems related to career knowledge, resume writing, how to appear for interviews, school information about the competitive examinations etc. In order to council the students, the institute carries out student council activity. This is a unique practice where the students are counselled through peer group meeting, peer leaders meeting, homeroom activities. Further the students are made to carry out the assembly activities through this peer groups and celebrate various days. This practice helps the students to develop their language and communication skills. The institute signed MoUs with 20 practicing schools and 3 higher education institutions in order to exchange the ideas, thoughts and innovative practices. Thus, the career guidance and counselling has become the strength of the institute.

Language, Communication and Personality Development

Language, communication and personality are considered as the most important and inevitable qualities of the teachers. In order to satiate the needs of the teachers and schools, the institute has started the LCPD practices, since the inception of the college. Since the institute is located in the semi urban areas, the nearby residents are mostly Gujarati, therefore the students are having the fear of English language. Poor language competency becomes the obstacle in communication leads to personality. Therefore, the institute promotes the students for the public speaking activities. In order to develop these three major skills, the institute carries out various activities like language games, assembly activities, panel discussion, MITRA(Monitored initiated Teaching Towards Remediation), PT (Peer Tutoring), various other literary activities through English club like debate, elocution, declamation, essay writing etc. Other than these, the institute also offers a course named Bridge Course in the first semester which is divided into two major parts one is language development and the second is teaching aptitude. The pre-test, programme and post-test is administered to the students under the bridge course. The alumni of the institute get overwhelmed and appreciate the drastic change in their LCPS during their study. Sessions on developing language skills and grammar are taught through constructivist approach. Thus, the Language, communication and personality of the students are appreciated by the stakeholders.

TEACHING LEARNING EVALUATION

TEACHING

In an era where majority of the student fraternity are getting self-engaged through internet and Google search engine, the conventional education is forced to take a metamorphic change over the past few years. In the same context, CVM University has synthesized the curricula for all its programmes in line with the current international practices and emerging requirements. Henceforth, the pedagogical strategies adopted at the University are also aligned with the global academic demands and practices that emphasize more on the quality of teaching as well as learning.

The thoughtfully designed Student-Centric curricula of various programmes make the students more receptive towards learning, vigilant towards the requirements and demands of the society and thereby energize them to design applicable solutions. While keeping focused on the mainstream teaching-learning approach, the University has integrated the following methods to name some:

- » ICT enabled Teaching-Learning-Evaluation.
- » Elective and Interdisciplinary courses in curriculum to explore and excel in non-core areas.
- » Participatory and interactive discussion-based classes.
- » Guest Faculty Sessions by reputed subject experts from academia and industry.
- » Regular national level and international level seminars, symposiums and distinguished lecture series.
- » Field-based projects, Practical assignments and Research right from UG level.
- » INFLIBNET and other e-Learning resources to encourage independent learning.
- » Workshops, Training and Internships
- » Placement support
 - » International level and national level industrial exposure.
 - » Promotion of Entrepreneurship among students through CVM University Innovation and Startup Centre (CVMUISC).
 - » Institutional level Committees and Cells to promote curricular, co-curricular and extracurricular events like sports, cultural, literary, intellectual and social outreach programmes at every constituent college of CVM University.

LEARNING

At CVM University, the student-centric teaching -learning is implemented using the appropriate pedagogy that provides the student learners a supporting structure to facilitate the three-dimensional approach of learning i.e., Interactive, Collaborative and Independent Learning. This not only enhances the knowledge and skills of the students at academic level, but also equips them to tackle the psychological issues at personal level and various social issues at societal level. A balanced approach between interactive, collaborative and independent learning nurtures critical thinking, develops scientific temper, and boosts up their creativity. On the whole, it motivates the students to empathize the real-time problems and situations, and act in congruence with demands of the society. In a nutshell, the learning system outshines them to become lifelong learners, problem solvers and innovators.

EVALUATION

The evaluation of the student’s academic performance is based on the Continuous Evaluation (CE) method and grading system. All the programmes offered by CVM University are credit-based and have internal and external evaluation pattern with 40:60 marking approach. The student has to pursue his/her programme with diligence for scoring a good Cumulative Grade Point Average (CGPA) and eventually will be awarded with the professional degree of the programme chosen.

Continuous Assessment

Internal

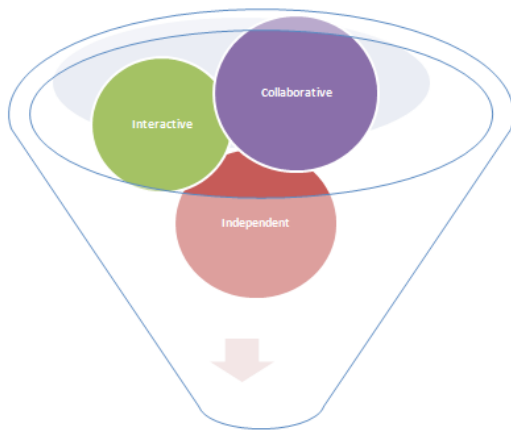

For internal assessment which carries 40% of marks, the concerned colleges have adopted Continuous Evaluation method based on combination of academic activities like

- » Written Examination
- » Assignments
- » Mini Project
- » Case Studies

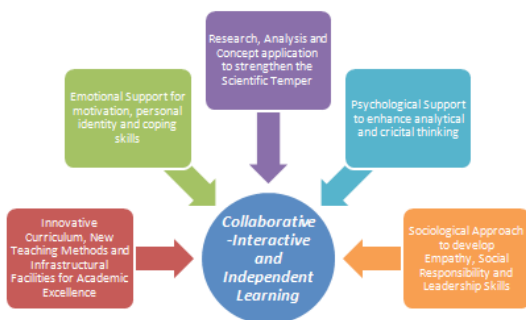

- » Seminars and Presentations
- » Group Discussions
- » Quiz
- » Attendance
- » Participation in Class Activities

External

The external evaluation is done by the University based on written examination, presentation and/or viva-voce examination that carries 60% weightage of the total marks for the course.

Learning @CVMU

Research, Consultancy and Extension

The purpose of any higher education programme will be considered holistic when it propels humanity through modern and applicable solutions to various global and local level problems. The CVM University is on the right notch in terms of Research, Innovations, Consultancy, Extension activities and Internationalization. The University has accorded highest priority to these thrust areas and has established CVMU Research Committee, The CVM University Innovation and Startup Centre (CVMUISC) at the University level. Also the University has encouraged all the constituent colleges to establish their own Research committees to ensure all the faculty members, research scholars and the students to participate in core areas of research, consultancy services in their respective specialized fields.

Status fo Major Research Projects for the Year 2020-21

Research Projects:

For the academic year 2020-21, The CVM University has nine on-going research projects worth of Rs. 2.38 crores across various faculties. Five (5) major projects worth of Rs. 1.38 crores have been completed. And 7 projects proposals have been approved and submitted to various recognized entities for further process.

Ongoing Research Projects

Sr. No.	Name of the College	Name of the Research Project	Principle Investigator and Co-investigator	Name of the Funding Agency	Project Initiation Date	Project Computation	Outlay (In Rupees)
Faculty of Engineering and Technology							
1		A Novel eco-friendly hybrid process for enrichment of sodium lignosulphonate From digester black liquor Prosopis Juliflora hard wood	Dr. Kaushik Nath (PI) and Dr. Suresh Panchani (Co-PI)	DST, Govt. of India	01/01/2018	extended up to 2022	98,32,000
2	GCET	conducting 21 days Summer/ Winter School (Level-1) on Capacity Building Initiative of Geospatial Science and Technologies under National Geospatial Programme (NGP)	Dr. Khadeeja Priyan (PI)	DST, Govt. of India	2021	2023	10,00,000

Grants and Consultancy

Various constituent colleges of the University have received grants worth of Rs. 19, 27,196 /- for the academic year 2020-21 from funding agencies like All India Council for Technical Education (AICTE) and Gujarat Council on Science and Technology (GUJCOST) and so on. University also motivates the expert academicians to extend their services to various other organizations or educational institutions through Consultancy services. The details of Grants received and the Consultancy services provided are given in the following tables.

Grants Received by the University during the Academic Year 2020-2021

Sr. No	Name of the Constituent College	Name of Teacher/s	Name of the funding agencies/ individuals/ Corporate body	Year	Funds / Grants Received (In Rupees)	Purpose
1	ADIT	Dr. Shivmurti Shrivastava	MODROB,AICTE	20-07-2020	14,90,196	Purchasing Lab Equipment.
2	ADIT	Dr. Vishal N Singh	AICTE under AQIS	10-08-2020	93,000	Conducting STTP on Applied Computational Fluid Dynamics for Engineers.
3	ADIT	Dr. Vishal N Singh	AICTE under AQIS	10-08-2020	93,000	Conducting STTP on Applied Computational Fluid Dynamics for Renewable fluid systems and Hydraulic Machines.
4	ADIT	Dr. Vishal N Singh	AICTE under AQIS	10-08-2020	93,000	Conducting STTP on Applied Computational Fluid Dynamics for Automotive, Space and Defense Systems.
5	ADIT	Dr. Ronak Shah	ATAL, AICTE	17-08-2020	93,000	Conducting FDP on Trends of Sustainable and Green 6Energy Technology in India.
6	ADIT	Dr. M. I. Shah	GUJCOST, Govt. of Gujarat	03-09-2020	15,000	Conducting STTP on Advances in Waste Management Systems.
7		Dr. Pooja M Bhatt and Prof. Sunit Parmar	GUJCOST, Govt. of Gujarat	Sep-2020	30,000	One week FDP on Blockchain and its applications.
8	MBIT	Dr. Pooja M Bhatt	GUJCOST, Govt. of Gujarat	Sep-2020	10,000	Three – Day workshop on Data science and its applications.
9		Prof. Tejal Tandel	GUJCOST, Govt. of Gujarat	Sep-2020	10,000	Four- Day workshop on "Technical Writing with LATEX"

Consultancy Services provided by the University during the Academic Year 2020-2021

Sr. No	Name of the Constituent College	Name of the Faculty	Department	Name of consultancy project	Consulting / Sponsoring agency with contact details	Date / Duration	Revenue generated (In Rupees)
1	ADIT	Dr. A.S. Kulkarni, Dr Ajay Tapre	Food Processing Technology	Development of Healthy Papad and shelf life extension of Papad	Puro Wellness, Pvt Ltd, Mumbai	March 2019 to March 2021	2,50,000
2	ADIT	Dr. M. I. Shah Prof. R. J. Desai	Mechanical Engineering	LEEA Assessment Centre 2020	LEEA Academy, UK based Company	18/06/2020 to 12/08/2020	10,000
3	IICP	Dr Usmangani K Chhalotiya	Pharmaceutical Chemistry and Analysis	Consultancy work for PG and Ph. D. Research Scholar, Analysis of Drugs by Sophisticated Analytical Instrument HPTLC	Educational Institutions	1 Year (2020-2021)	36,850

Research Publications

Academic publishing plays a very crucial role in to embed new knowledge and experience to the relevant fields of academic and intellectual communities. CVM University is gearing up to extend its support to teaching and student fraternity to publish books, book chapters and research articles in reputed and internationally recognized journals. The details of research publications are as follows:

Sr. No.:	Type of Publication Activity	Total
1	Research Paper Publications	186
2	Oral / Poster / Paper Presentations	50
3	Book Published	12
4	Book Chapters Published	27

For the academic year 2020-2021, 55% of the total research papers have been published in Journals listed in SCOPUS, Web of Science, and UGC Care and around 29.5% of publications are in internationally recognized peer-reviewed journals and 15.5% of articles are published in nationally recognized peer-reviewed journals.

College wise details of paper publications (June 2020 to May 2021)

Faculty	Name of the College	Journals listed in Scopus / Web of Science / UGC Care	Others - International Peer Reviewed Journals	Others - National Peer Reviewed Journals	Total

Research Paper Publications from June 2020 to May 2021 - Total Distribution

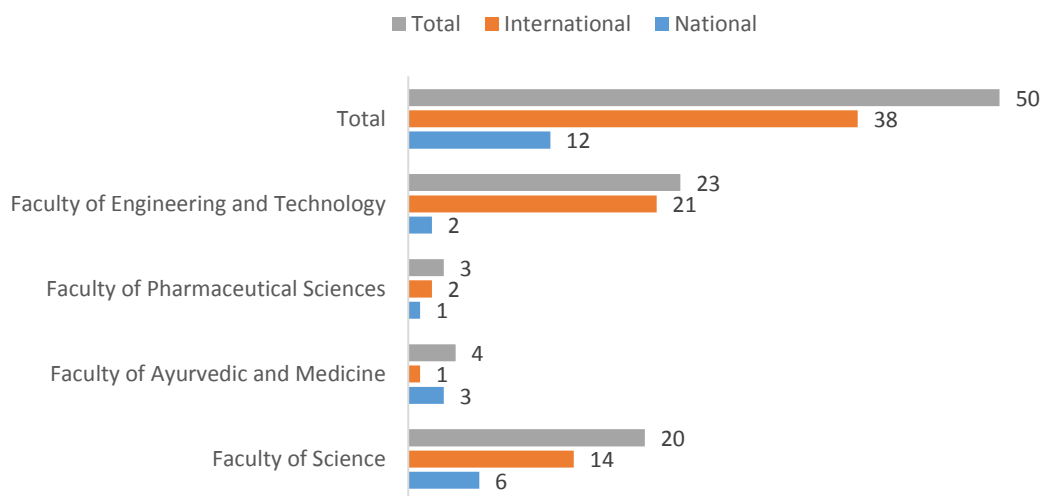

- Journals listed in Scopus / Web of Science / UGC Care
- Others - International Peer Reviewed Journals
- Others - National Peer Reviewed Journals

Oral / Poster-Paper Presentations

The teaching faculty at CVM University are encouraged to present their research papers, posters and other academic related research outputs in various International and National platforms. Out of 50 oral / paper presentations, 76% of them are in various international platforms and 24% of presentations are at National level.

Oral / Poster / Paper Presentations in the AY 2020-2021

Book and Book Chapter Publications

A total of 12 books have been published by faculties and out of which 6 are with international publishers and 5 with National publishers and one with state-level publication house. Also, a total of 26 book chapters have been published out of which 19 chapters have been published with international publishers. The details are as follows.

Book Publications in the Academic Year 2020-21

Sr. No	College	Name of the author/s	Name of (Author / Co-Author) (Editor / Co- Editor)	Title of the book published	National / International	Year	ISBN Detail	Name of the publisher
1	GCET	Dr. Krunal Patel	-	Robust and Secured Digital Audio Watermarking	International	2021	978-3-030-53911-5 (eBook)	Springer Nature

Expert Talks

An interaction and open dialogue with subject experts is inspiring students to develop critical thinking and logical reasoning. Keeping this as highest priority, the University encourages the colleges and the faculty members to organize expert talks from time to time. It is quite appreciable that 215 expert talks have been organized by various faculties during the year 2020-2021 to engage the students in a most fruitful and productive manner during the Covid pandemic period.

Extension Services

CVM University offers rigorous academic programmes that direct the students beyond the career development. Various community extension and service-oriented activities through National Service Scheme, National Cadet Corps and other community outreach activities etc., have been embedded into various programmes that motivates the students to remain in constant touch with the beneficiaries of various communities and work at ground level. An extension activity not only helps the society but also strengthens the personality of the student mentally and physically. It is quite noticeable fact that during pandemic period, students of various faculties have extended their support to the communities in neighbourhood. Overall, around 132 such extension activities have been organized by Faculties with holistic support by students:

The NSS team also distributed nutritious food kits to Aanganwadi centers (आंगणवाडी केंद्रां पोषणयुक्त आहारकीटजू वितरण) at village Gana-Indira Awas Yojna, at Mogari, Participation- Students 160, Teachers 25; Total beneficiary 185
- » Celebrated 125th birth Anniversary of ‘Rashtriya Shayar’ Shri Jhaverchand Meghani”. A total of four students have registered themselves for the event and audition on 9/21/2021. Participation- Students 4
- » Organized “Celebration of World Pharmacy Day” for Free Health check-up Camp at college campus on 9/25/2021. Participation- Students 160, Teachers 25; Total beneficiary 185.
- » Organized “One day National camp at village Navali” in collaboration with NSS for श्रेष्ठभारतना प्रकल्पो (कार्यक्रम - पर्यावरण, स्वच्छता, जनसंरक्षण तेमज जनसंयय, गौ आधारित प्राकृतिक भेती, नशाबंधी तेमज कुरिवाज निवारण (दडेजप्रथा तेमज लूण्डत्या निवारण on 09-03-2022. Participation- Students 160, Teachers 15; Total beneficiary 175.

GJPIASR – Extension Activities under NSS

- » Celebration of Women’s day -S.G. Patel Ayurvedic hospital on 8-Mar-21 under Dr. Sulakshana R. Jaybhaye and 3 Staff of NSS cell. Total beneficiary 67

GJPIASR – Other Extension Activities

- » Organized Sunday Free Health Checkup Camp-Pandoli on 21/01/21 under Dr. Prasad Pachangane. Total beneficiary 127.
- » Organized “Sunday Free Health Checkup Camp-Tarapur on 14/02/21 under Dr. Ritesh Gujarathi. Total beneficiary 65
- » Organized Awareness program-MBIT College Auditorium on 13/03/2021 under Dr. Kundan Chaudhary, Dr. Priyanashine. Total beneficiary 30
- » Organized Medical Camp-Manpura on 14/03/2021 under Dr. Kundan Chaudhary.
- » Organized Rural Health Camp - Manpur on 14/03/2021 under Dr. Sarita Bhutada. Total beneficiary 156.
- » Organized “Rural Health Camp-Ramodadi” on 21/03/2021 under Dr. Arvind Paikrao. Total beneficiary 58
- » Organized Medical Camp-Ramodadi on 21/03/2021 under Dr. Vipinsha R S. Total beneficiary 53
- » Total beneficiary 156 Organized Suvarnaprashan camp-SGAH on 24/03/21 under Dr. Jayesh (with 6-Students). Total beneficiary 125
- » Organized “Rural Health Camp-Jantral” on 28/03/2021 under Dr. Aniket Shilwant. Total beneficiary 112.
- » Organized Medical Camp-Jantral, Milk diary on 28/03/2021 under Dr. Priyanashine. Total beneficiary 112
- » Organized Medical Camp-Khodiya Temple, Petlad on 4/4/2021 under Dr. Daksha Rathod. Total beneficiary 74
- » Organized Sunday Camp of SJPA HandMH-Petlad, Gujarat on 4/4/2021. Total beneficiary 76
- » Organized an institutional activity- Covid 19 Vaccination Camp at Govindbhai Jorabhai Patel Ayurveda College on 8/4/2021. Total beneficiary 12.
- » Organized a Poster competition on Scientific Writing and Publication ethics at Govindbhai Jorabhai Patel Ayurveda College on 1st May 2021. Total beneficiary 450.
- » Organized Awareness program-SGAH and MH Hospital Auditorium for C.Z. Patel College on 3/5/2021 under Dr. Kundan Chaudhury, Dr. Priyanashine. Total beneficiary 60.
- » Organized an institutional activity- International Nurses Day at Govindbhai Jorabhai Patel Ayurveda College on 12/5/2021. Total beneficiary 12.
- » Organized a Poster competition on Menstrual Hygiene Day for students at Govindbhai Jorabhai Patel Ayurveda College on 29th May 2021. Total beneficiary 56.
- » Govindbhai Jorabhai Patel Ayurveda College organized Poster making for NSS volunteers and oath taking for staff on occasion of world No Tobacco Day-S G Patel Ayurved Hospital on 31/05/2021 under Dr. Sulakshana Jaybhaye and Dr. Sanjay Jadhav. Total beneficiary 40-50.
- » Organized “No tobacco Day -Pledge taking ceremony” on 31/05/2021. Total beneficiary 40.

NVPAS – Extension Activities under NSS

- » Celebrated “International Yoga Day” at the college with the programme “Do Yoga Beat Corona” at On - Line on 21/06/2020. Participation- Students 89, Teachers 23, Total beneficiary 112
- » Celebrated “NSS Day” and discussed the Role of NSS in the Development of Students at NVPAS on 24/09/2020. Participation- Students 98, Teachers 5, Total beneficiary 103
- » Organized “COVID – 19 Pledge” at NVPAS on 08/10/2020. Participation- Students 216, Teachers 3, Total beneficiary 219
- » Oriented students regarding the NSS activities and its importance in life at NVPAS on 03/11/2020. Participation- Students 75, Teachers 11, Total beneficiary 75
- » Organized “Road Accident Pledge” for Volunteers at NVPAS on 15/11/2020. Participation- Students 96, Teachers 3, Total beneficiary 99
- » Organized “Constitution Day” for the volunteers and read the preamble to Indian constitution at NVPAS on 26/11/2020. Participation- Students 69, Teachers 3, Total beneficiary 72

- » Organized “World AIDS Day” for Prevention of HIV / AIDS at NVPAS on 01/12/2020. Participation- Students 88, Teachers 3, Total beneficiary 91
- » Organized national level Webinar on the topic “Proud to be an Indian to celebrate “National Youth Day” at CVMU on 12/01/2021. Participation- Students 4, Teachers 3, Total beneficiary 231
- » Organized “Thalassemia Orientation” at NVPAS on 22/01/2021. Participation- Students 10, Teachers 3, Total beneficiary 190
- » Celebrated the Birth Anniversary of Netaji Subhaschandra Bose” at CVMU on 23/01/2021. Participation- Students 4, Teachers 3, Total beneficiary 67
- » Organized “Road Safety Month” in collaboration with Traffic Education Trust, Anand to/ for Road Accidents and Safety Measures at NVPAS on 12/02/2021. Participation- Students 63, Teachers 3, Total beneficiary 66
- » Organized “Voter Awareness” for the volunteers to motivate the people in utilizing their right to vote in the forthcoming election at Students nearby places on 22/02/2021. Participation- Students 32, Teachers 3, Total beneficiary 796

Schedules to the Financial Statements as at March 31, 2021

Schedule 1 - Significant Accounting Policies as on March 31, 2021

1 Basis for Preparation of accounts :

- a. The financial statements are prepared on the basis of historical cost convention and generally on the cash method of accounting unless otherwise stated.

2 Revenue Recognition

- a. Fee from students, Sale of admission forms, tuition fees for each semester and Interest on Saving Bank accounts are accounted for on cash basis.
- b. Interest on Interest bearing advances to staff for House Building, Purchase of Vehicles and Computers are accounted for accrual basis every year, though the actual recovery of interest starts after the full repayment of the principal.

3 Fixed Assets and Depreciation

- a. Fixed assets are stated at cost of acquisition including inward freight, duties, taxes, incidental direct expenses related to acquisition, installation and commissioning less depreciation.
- b. Fixed assets are valued at cost less accumulated depreciation, Depreciation on fixed assets is provided on written down value method as specified in the Guidance Note issued by the Institute of Chartered Accountants of India

4 Intangible Assets

Patents, copy rights and computer software are grouped under intangible Assets.

5 Investments

All Investments are stated at cost.

Placement Cell:

Campus recruitment is a process through which the corporate (employer) organization recruits the required talent pool from the academic campuses. The selection process takes place in the final year of a programme for both undergraduate and post graduate students. Over the years, campus recruitment has assumed greater significance in the minds of several stakeholders. The major stake holders of recruitment process are institutes, companies, students and parents. Detailed information about placement arranged by CVMU for the academic year 2020-21 is listed as follow:

Sr. No.	College/ Institution	Name of the Company	Name of Department	Number of Students Appeared	Number of Students Selected	Average Package (LPA)

OUR PLACEMENTS PARTNERS

Start-ups:

Since its inception two and a half years ago, CVMU Startups has overseen the incubation of over 300 startups, seen them grow and graduate. Startups at CVMU are a closely-knit circuit that also comprises a huge part of the startup ecosystem of Gujarat.

Throughout their tenure at CVMU, startups have bonded with each other deeply, becoming a community that stands together and has each other's' backs. It is this feeling of togetherness that also prompted many CVMU startups to launch joint ventures with each other, celebrating success stories, festivals, and the spirit of entrepreneurship together. It's believed that productivity has a very close relationship with the work environment, and here, it's both nurturing and positive.

List of Startups:

Sr.	College	Name of the Students/s	Detail of Start-up
1	ARIBAS	Rupali Kapoor IBT 10th, Koosh Asher IGBT 6th	Mushroom spawn production
		Jahanvee Chanpura Ph.D. Student	Functional Food preparation
		Kathan Mewada IGBT 6th, Prachi Gandhi IBT 10th	Nano catalyst preparation for biodiesel production
		Parth Cauhan (Mentor - Dr. Swati Narolkar)	Fig plant (ficus carica) tissue culture at CVMU srstartups
		Niyati Parekh	Production of Spirulina – food for future
		Kunal Joshi (Mentor - Dr. Swati Narolkar)	NanoZyme
2	GCET	Shubham Shah(170110120051)	Smart Pneumatic Powered Electric Multi Dart System
		Shubham Shah(170110120051)	Mobile isolation pods
		Shubham Shah(170110120051)	Edith Technologies(Name of venture)
		Vaibhav Vaja (170110120059)	Low cost solar panel cleaning robot
		Pranav Patel(GCET alumni)	
		Vaibhav Vaja (170110120059)	Low cost made India surgical robotic system
		shyam vaghasiya(170110120057)	
3	ILSASS	Meet Patel	Assistive Cane
		Manoj Kethan	Paradox (Online Web Portal for Content and Event managements)
		Andrew Samuel, Joel Thomas and Roshan Tamang	Snooze 3 (Musical Studio and Band)
4	NVPAS	Vasu Patel	IP Academy (Leadership Training Centre)

5	SEMCOM	Bhoomi Patel, Parvati Krishnan, Hemangi Savani, Akash Bhuva	Waste Water treatment using reed bed system
		Mr. Abhay Chavda	Abhay Toys
6	WAYMADE	Ms. Jaini Shah	Pianta Blossoms
		Ms. Pranjal Moradiya	Re Education- Next Step to Education
		Mr. Brijen Parmar	Coaching Institute and Educational Services

Alumni Association:

The Students' Alumni Cell, CVMU is a voluntary student body working under the aegis of the Dean, Outreach. It strives to bridge the gap between CVMU and its esteemed alumni community. The Students' Alumni Cell continuously endeavours to strengthen the relations of the alumni of this Institute and their alma mater. It has been instrumental in organising regular guest lectures by distinguished alumni in the campus. The Students' Alumni Cell also operates the Student - Alumni Mentorship Programme. The University acknowledges the contribution of all the alumni who have made an indelible mark in the continuous growth of the university.

“Education or teaching in the broadest sense is any act or experience that has a formative effect on the mind, character or physical ability of an individual. In its technical sense education is the process by which society deliberately transmits its accumulated knowledge, skills and values from one generation to another.”

..... - George F. Kneller
